

Business Analyst, Consulting (Brussels)

Organisation

Want to join a dynamic company that has grown from 6 to 850 people in Europe in 12 years?

Thanks to its innovating processes and original organisation, this company has become a leading consulting firm specialized in Management and Business Consulting.

To continue the development of their fast growing Brussels' office, they are willing to recruit a Business Analyst specialized in Financial Services or in the Industrial sector.

Function

As a **Business Analyst**, you will work on challenging activities such as:

- Business needs gathering and analysis
- Requirement specifications
- Process Engineering
- Projects and team piloting and coordinating
- Users' acceptance procedures
- Testing
- Change Management
- Business Intelligence

For the **Financial Services**, your clients will be the most prestigious international financial institutions, in retail or investment banking, risk management, credit management, private banking, asset management as well as in insurance. For the Industrial Sector, your clients will be international and local groups in following activities: transportation, retail distribution, pharmaceutical industry.

Profile

- You hold a Masters' degree in Business or Engineering
- You have a relevant experience of minimum 1-2 years in consulting with a good understanding of financial issues
- You have excellent communication skills and are able to work in Dutch, French and English
- You demonstrate ambition, high quality work, adaptability and enthusiasm
- You have a pioneering and leading spirit and are interested in building up our office

Are you up for the challenge?

Apply today by sending your cv to info@raraavis.be or contact Sylvie De Bruyckere +32 476 96 13 64.
